Mangers requested a morning meeting. Let me ask if they can do this?

By the way we have been contacted by Earthjustice regarding this complaint. Have you heard anything?

Thank you.

Hi Tysan-

I am currently checking calendars, but it may be early next week. Do your folks have availability for Monday the 21st or Tuesday the 22nd?

Brittany,

I sent an e-mail asking our appropriate parties if 11/9 worked for them, waiting on a response.

Hi Tysan:

Unfortunately, that time does not work for all the participants anymore. The next available opening appears to be on Wednesday, November 9th at 4:30pm.

Can you let me know if that works for USDA?

Yes. I am available to talk on Monday and I'm looping in the Case Manager, Brittany Martinez. As EPA has regulatory timeframes for processing nondiscrimination complaints, we are eager to move the ball forward on this matter. So we need to talk about how we would coordinate if that's the path forward from USDA's perspective, who is USDA's point of contact, when can we have a larger meeting/discussion, etc.

Thanks for reaching out. My phone number is 202-564-7299.
